Dear MISA Community:

Welcome to the MISA! As the Principal of MISA, it is both an honour and a privilege to lead such a dedicated and diverse community of learners, educators, and families.

Our school is more than just a place of learning; it is a vibrant community where each student is valued, supported, and encouraged to reach their fullest potential.

At MISA, we are deeply committed to academic excellence, but we also believe that education extends far beyond the classroom. Our mission is to develop well-rounded individuals who are not only intellectually curious but also empathetic, resilient, and socially responsible. We strive to create a learning environment that fosters creativity, critical thinking, and collaboration, preparing our students to face the challenges and opportunities of the future with confidence.

Our dedicated team of educators works tirelessly to ensure that every student receives a personalized and holistic education. We encourage our students to explore their passions, embrace new experiences, and take ownership of their learning journey. Through a rich array of academic programs, extracurricular activities, and community service initiatives, we aim to inspire a lifelong love of learning and a commitment to making a positive impact in the world. I invite you to explore our website to learn more about the exciting programs, initiatives, and events that make MISA such a special place. Whether you are a current member of our community or a prospective student or family, I hope you find the information here helpful and inspiring.

Thank you for being a part of the MISA community. Together, we are shaping the future here!

M. E. Lecours

SCHOOL OVERVIEW

Metro International Secondary Academy (MISA), is located in Toronto, Canada. MISA is a premier private high school committed to academic excellence and global vision. As an official AP and IELTS exam centre, MISA features modern facilities and an advanced curriculum system, offering over 50 Ontario Secondary School and U.S. AP courses to prepare students for global university success. With a strong emphasis on academic pathways, MISA helps students gain admission to top universities worldwide, including the University of Toronto, McGill University, and other top 100 global institutions. In recent years, 85% of graduates have received offers from these prestigious universities, with many earning substantial scholarships that reflect their outstanding academic performance. As a leader in educational innovation, MISA is proud to be the first Canadian private high school officially partnered with the University of Toronto in AI and medical research. The school provides students with an elite academic platform, equipping future leaders with the skills and global perspective to thrive in tomorrow’s world.

TEACHING TEAM

MISA is proud to have a highly qualified and experienced faculty team. Our instructors include certified Ontario teachers (OCT) as well as professionals with master's and doctoral degrees, bringing together diverse and complementary educational expertise.

Most of our teachers are graduates of top-ranked global universities and have a deep understanding of the Ontario secondary school curriculum. They provide expert guidance to help students navigate a wide range of international university pathways.

Our student services team offers multilingual support and is experienced in assisting international students as they adapt to a new academic and cultural environment. From academics to everyday life, we ensure students feel supported every step of the way.

At MISA, we believe in personalized education. Each student receives a tailored academic plan and university pathway to help them earn their OSSD diploma and gain admission to top global universities.

1:8 At MISA, we embrace the philosophy of “small, focused, and high-quality.” Our core academic courses maintain an average student-teacher ratio of 1:8, while all other classes are capped at no more than 20 students.

This structure allows our teachers to:

- Closely track student progress
- Deliver personalized instruction
- Enhance classroom engagement
- Provide continuous feedback and academic support

Each student receives a customized learning plan, designed around their academic strengths, challenges, and university goals. Regular assessments and guidance ensure a solid foundation and foster independent learning.

Our dedicated university counseling team works closely with students to align their interests with top global programs, creating a clear and competitive pathway to success.

With comprehensive academic support and emotional care, **MISA students are empowered to reach their full potential—consistently gaining admission to top universities around the world.**

SCHOOL DORMITORY

HOMESTAY

Dormitory

Metro International Secondary Academy offers Single Room Residence for international students seeking a safe, convenient, and welcoming home away from home. Each suite features two private bedrooms, a full bathroom, and a kitchenette, fully furnished with double beds, study desks and chairs, wardrobes, and ample storage.

Security is guaranteed 24/7 with swipe-card access, CCTV surveillance, and daily inspections by professional residence staff. The building houses a self-service café serving Western and Asian hot meals, light bites, and beverages; the campus dining hall, supermarkets, and bus stops are all within easy walking distance.

Homestay

At MISA, we carefully select and manage host families to provide international students with a safe, welcoming, and culturally immersive home environment.

Features: Located in safe, friendly neighborhoods, offering students emotional support and cultural guidance.

Facilities: Private bedroom and quiet study area with access to fully furnished living spaces and high-speed internet.

Dining: 2 meals daily (breakfast and dinner); lunch can be arranged at school.

Room Type: Single room with a private washroom or single room with a shared washroom

CLUB ACTIVITIES

At MISA, we believe in nurturing the whole student. Our wide range of student-led activities encourages creativity, leadership, teamwork, and personal growth beyond the classroom.

Students can explore their interests and talents through vibrant groups such as **Student Council, Artificial Intelligence, Science, Dance, Basketball, Yearbook, and Board Games**, covering academic, artistic, athletic, and civic engagement areas.

Students are encouraged to run for leadership roles, initiate new clubs, and actively shape campus culture. As long as they have passion and ideas, there's space to bring them to life.

Through active participation, students not only enrich school life, but also gain meaningful teamwork and project experience—a valuable advantage in university applications and future pursuits.
