Dear MISA Community:

Welcome to the MISA! As the Principal of MISA, it is both an honour and a privilege to lead such a dedicated and diverse community of learners, educators, and families.

Our school is more than just a place of learning; it is a vibrant community where each student is valued, supported, and encouraged to reach their fullest potential.

At MISA, we are deeply committed to academic excellence, but we also believe that education extends far beyond the classroom. Our mission is to develop well-rounded individuals who are not only intellectually curious but also empathetic, resilient, and socially responsible. We strive to create a learning environment that fosters creativity, critical thinking, and collaboration, preparing our students to face the challenges and opportunities of the future with confidence.

Our dedicated team of educators works tirelessly to ensure that every student receives a personalized and holistic education. We encourage our students to explore their passions, embrace new experiences, and take ownership of their learning journey. Through a rich array of academic programs, extracurricular activities, and community service initiatives, we aim to inspire a lifelong love of learning and a commitment to making a positive impact in the world. I invite you to explore our website to learn more about the exciting programs, initiatives, and events that make MISA such a special place. Whether you are a current member of our community or a prospective student or family, I hope you find the information here helpful and inspiring.

Thank you for being a part of the MISA community. Together, we are shaping the future here!

SCHOOL CAMPUS

Metro International Secondary Academy (MISA), located in a prime academic district in Toronto, Canada, is an elite private high school that combines academic excellence with a global perspective. As an officially authorized IELTS and AP examination centre, MISA features a standalone campus and modern facilities, offering a rigorous and diverse curriculum of over 50 Ontario secondary school courses alongside AP programs, fully supporting university preparation across the arts, sciences, business, and technology.

MISA places a strong emphasis on university advancement, with 85 percent of graduates receiving offers from leading institutions such as the University of Toronto, McGill University, and other globally ranked top 100 universities. Each year, students are awarded substantial scholarships, reflecting their outstanding academic performance and well rounded achievements.

Recognized as a leader in educational innovation, MISA has received a special scholarship award from the University of Toronto in acknowledgment of its graduates' academic excellence. It is also the first private high school in Toronto invited to collaborate with the University of Toronto on artificial intelligence research initiatives, providing students with direct access to advanced research opportunities and cultivating globally competitive future leaders.

ADMISSION

MISA welcomes applications from students in Grades 7 to 12, including both local and international applicants, and provides a rigorous, high-expectation academic environment that fosters excellence and prepares students for success at top-tier universities worldwide.

Academic Programs Offered at MISA:

- Ontario Secondary School Core Curriculum (OSSD)
- U.S. Advanced Placement (AP) Courses
- Flexible Online Credit Courses
- Specialized ESL Enrichment Program
- Fast-Track Summer Credit Courses

TEACHING TEAM

MISA is proud to have a highly qualified and experienced faculty team. Our instructors include certified Ontario teachers (OCT) as well as professionals with master's and doctoral degrees, bringing together diverse and complementary educational expertise. Most of our teachers are graduates of top-ranked global universities and have a deep understanding of the Ontario secondary school curriculum. They provide expert guidance to help students navigate a wide range of international university pathways. Our student services team offers multilingual support and is experienced in assisting international students as they adapt to a new academic and cultural environment. From academics to everyday life, we ensure students feel supported every step of the way. At MISA, we believe in personalized education. Each student receives a tailored academic plan and university pathway to help them earn their OSSD diploma and gain admission to top global universities.

PERSONALIZED LEARNING

1:8

At MISA, we embrace the philosophy of “small, focused, and high-quality.” Our core academic courses maintain an average student-teacher ratio of 1:8, while all other classes are capped at no more than 20 students.

This structure allows our teachers to:

- Closely track student progress
- Deliver personalized instruction
- Enhance classroom engagement
- Provide continuous feedback and academic support

Each student receives a customized learning plan, designed around their academic strengths, challenges, and university goals. Regular assessments and guidance ensure a solid foundation and foster independent learn. Our dedicated university counseling team works closely with students to align their interests with top global programs, creating a clear and competitive pathway to success. With comprehensive academic support and emotional care, MISA students are empowered to reach their full potential—consistently gaining admission to top universities around the world.

University of Pittsburgh Admissions and Financial Aid

02/19/2025

Dear [redacted],

Congratulations! On behalf of the Admissions Committee, the Dietrich School of Arts and Sciences, and the University of Pittsburgh, I am pleased to offer you acceptance for the Fall 2025 Term, beginning in August 2025 with an intended field of study of **Communication - Rhetoric**.

Your application demonstrated hard work, determination and a forward-thinking attitude, the characteristics that make you an excellent fit for the University. This acceptance symbolizes the beginning of a new chapter in your life, one that we are confident you will find rewarding and fulfilling.

At Pitt, you will join a diverse community of students who are encouraged to explore their interests, pursue cutting-edge research, and take advantage of the many opportunities, community resources, and support that we offer. We are confident in your potential for a successful future here. With the support of our faculty, staff, and classmates, your future is yours to build. Imagine the possibilities when you converge everything you stand for with everything we offer. If you do it, you will do it.

While you take time to celebrate, I invite you and your family to plan a visit for our upcoming orientation, where you will experience campus for the first time as an accepted student. I encourage you to keep an eye on your e-mail for our invitation to the upcoming programs.

UNIVERSITY OF WATERLOO

200 UNIVERSITY AVENUE WEST, WATERLOO, ON CANADA N2L 2G1

OFFER OF ADMISSION

February 7, 2025

Dear [redacted],

I am pleased to advise you that the Admissions Committee has approved your application for admission to the **Bachelor of Computer Engineering, Co-op** program at the University of Waterloo. We are pleased to offer you a place on our course. Here are some important details about your offer:

STUDENT - ADMISSION CONDITIONS

Applicants from an Ontario secondary school must complete the Ontario Secondary School Diploma (OSSD) and have an average of 85% based on the best 12 U (University) or M (University/College) courses that include required courses. Required courses include:

ENGLISH: 12 U Chemistry, 12 U Physics, 12 U Advanced Functions, and 12 U Calculus and Vectors with a score of 70% or above.

University of Waterloo culture is one that supports an equitable learning environment based on the fundamental values of inclusivity, respect, and integrity. We are committed to creating a safe and supportive environment for all students, regardless of their race, ethnicity, gender identity and expression, sexual orientation and other categories protected by the law. This respectful culture is guided by our [Ethical Behaviour Policy](#). In the unfortunate event of an incident, we will take appropriate action and any resulting discipline will be taken in accordance with the University's policies.

University of Waterloo**

SCHOOL DORMITORY HOMESTAY

Dormitory

Metro International Secondary Academy offers Single Room Residence for international students seeking a safe, convenient, and welcoming home away from home. Each suite features two private bedrooms, a full bathroom, and a kitchenette, fully furnished with double beds, study desks and chairs, wardrobes, and ample storage.

Security is guaranteed 24/7 with swipe-card access, CCTV surveillance, and daily inspections by professional residence staff. The building houses a self-service café serving Western and Asian hot meals, light bites, and beverages; the campus dining hall, supermarkets, and bus stops are all within easy walking distance.

Homestay

At MISA, we carefully select and manage host families to provide international students with a safe, welcoming, and culturally immersive home environment.

Features: Located in safe, friendly neighborhoods, offering students emotional support and cultural guidance.

Facilities: Private bedroom and quiet study area with access to fully furnished living spaces and high-speed internet.

Dining: 2 meals daily (breakfast and dinner); lunch can be arranged at school.

Room Type: Single room with a private washroom or single room with a shared washroom

CLUB ACTIVITIES

At MISA, we believe in nurturing the whole student. Our wide range of student-led activities encourages creativity, leadership, teamwork, and personal growth beyond the classroom. Students can explore their interests and talents through vibrant groups such as *Student Council, Artificial Intelligence, Science, Dance, Basketball, Anime Club, Yearbook, and Board Games*, covering academic, artistic, athletic, and civic engagement areas. Students are encouraged to run for leadership roles, initiate new clubs, and actively shape campus culture. As long as they have passion and ideas, there's space to bring them to life. *Through active participation, students not only enrich school life, but also gain meaningful teamwork and project experience—a valuable advantage in university applications and future pursuits.*
